Presents

A Limited In Person and Virtual Education Night

An underwater photograph of the Prins Willem V shipwreck, showing the rusted metal hull and debris covered in green algae. The scene is dimly lit, with light rays filtering through the water.

Milwaukee's Premier
Shipwreck
By: Cal Kothrade**

The Prins Willem V, a 258-ft, steel-hulled, diesel-powered freighter, sank about 3 miles off shore from Milwaukee. Cal will describe his experiences photographing the wreck.
